WHERE THE WORD IS PREACHED

Powerlife was founded in 1990 by Rick Coram Ministries and since the start it has been a camp with a foundation built on Gospel preaching.

Several decades later and it is no different in 2026 than it was in 1990.

We believe in a well balanced camp schedule where you get 7 sessions of Bible teaching and preaching followed by competition in squad wars where you can make lifelong friends from other churches. There is also plenty of time for your group to grow closer to each other during church share time and free time.

When you join us at camp, your group will have the best week of their summer making memories that last a lifetime but they will also leave having just experienced worship led by real authentic people and sermons by some of the best Preachers in the country.

Join us in 2026!
Jonathan Coram - Camp Director

THINGS 2 DO

Camp is evenly split into teams aka "squads" that compete for points throughout the week. The winning squad has a private party on Thursday.

The competitions consist of outdoor rec games, pre session ice breakers, after evening session games and more.

Groups will stay together, no church will be split up.

Pre arrival, we will let everyone know their squad so you come prepared with appropriate squad colors.
